

# HOLLY STIEL PROGRAM DESCRIPTIONS

## Keep on Dancing

Have you ever heard your employees exclaim—"I'm in the weeds!", "We're slammed!", "I'm getting slaughtered out there!" or "It's a mess!"?

Holly will show you how to tap into an entirely new rhythm in the workplace—Turn your war zone into a waltz!

Holly takes her favorite Neon Sign of Service—Dancing Throughout the Day—and magnifies it into an entire service culture. With this one powerful idea, Holly can revolutionize the way you think about and deliver service at your company.

## Dance Steps

- Find the joy in delivering quality service
- Harness that positive energy—the more you give the more you get!
- Raise your fun quotient at work
- Access new ways to handle stressful situations with customers and coworkers
- Learn to maintain your rhythm no matter what!

This talk is best-suited to businesses that are extremely busy, such as large restaurants and hotels.

*Holly will bring the house down in this rousing speech, and then build it back up with the dance that keeps on going.*
